IT'S FOR KIDS...

At **HOPE WITH HEART** we create an environment which is medically equipped, emergency prepared, safe and fun.

At camp, our children may swim in an olympic size swimming pool. If they can't swim, we'll help them learn. They participate in appropriate sports activities, modified if necessary. We have arts and crafts, a movie night, campfires night and PARTY night. The kids develop a talent show, join in story telling and, of course, share in some daily clean-up chores.

During the session, they begin to realize that they are not alone. We encourage campers to understand each other and bond in an amazing way. Friendships are developed. One expense parents may experience is an increased telephone bill. Our campers will call or e-mail each other throughout the year!
